## July Newsletter

**Kate Mason - Manager**

Woo-Hoo! Summer is officially here!

We've waited a long time for nice, clear skies and warm weather! Now that it's here, take advantage of the perfect golf weather by getting some friends together and heading over to Ridgewood and playing a round or two!

We have a few different special offers going on, and more on the way! Be sure to follow us on Facebook and Instagram also to find out about our exclusive social media specials! Hopefully you have enjoyed our contests and promotions to this point. Our next one is one you don't want to miss! Check your email inbox and our social media channels often to get in on this new promotion, it's sure to be fun!

Hope to see everyone around the course soon!

Wow!! It's hard to believe that it's already July! Did anyone see Spring? Although we do have a few damp areas, the course has really improved overall in the last several weeks and will only continue to get better with the warm weather. Kevin and his staff have worked very hard to provide you with the best playing conditions possible given the tough circumstances from this past Winter.

The Individual Match Play Series and Four Ball matches have been going on for a couple of weeks now with some grueling matches! The next round will be done soon, with the semi-finals and finals soon afterwards! Should be interesting! The Inter-Club matches will begin on July 15<sup>th</sup> here at Ridgewood. Next stop is Province Lake on the 22<sup>nd</sup>, followed by Lake Keyser on August 5<sup>th</sup>, and Indian Mound on August 12<sup>th</sup>. Please sign up in the Pro Shop if you are interested in playing, this is always a great time!

As many of you know we have some new faces in the kitchen preparing the food for us. Scott has recently joined us with 17 years of cooking experience, and Mike has also begun working in the kitchen. Both have done exceptional jobs for us and we look forward to more of their tasty creations. If you have any ideas please let me know, we are always looking for something new. Prime-time golfing weather is now upon us, let's grab those clubs, get to the course, and play this great game.

Thank you, and as always, hope to see you soon!

I hope everyone has had a great Fourth of July week! July is off to a great start with the first five days having been picture-perfect golf weather! We hope the rest of the month continues in the same way!

June however, brought rain in 21 out of 30 days and the course is still struggling to dry out. We had to delay a few days of our deep time aerification due to the saturated fairways. We have started the process again this week and will continue to keep these fairways on a bi-weekly rotation to keep water moving through the profile.

We will begin to start attacking some of the weak edges on the greens that didn't make it through the winter and spring. We plan to sod areas on the front 16 greens and aerify and seed multiple other edges. We plan to do this with minimal disruption to play and ask members to please take a free drop if your ball happens to land in one of these areas.

Let's hope this great weather is here to stay. See you on the course!

-Kevin
