Dear Valued Members,

I would like to start off by saying thank you to all of you for all your support and commitment to Ridgewood Country Club. Without all our wonderful members Ridgewood Country Club wouldn't be the amazing and welcoming place that it is.

I know as we look forward to the 2024 golf season there is a lot of uncertainty with the possibility of Ridgewood selling. We can completely understand this feeling but felt that it was extremely important to be upfront and transparent with all of you during this time. I can assure you that all membership funds will be held in Escrow if there is a change in ownership. As part of the sales agreement all existing memberships will be honored with the terms provided in the membership package.

As we start to look at more of the details of the membership options for the 2024 season, we have some exciting changes. Brand new this year! Instead of receiving your guest passes, tavern credit, and range for signing up early, we are going to give you \$500 in loyalty dollars that you can use at Ridgewood for anything you would like. This way it's more flexible and beneficial in a different way for each one of you. You can use it to treat a friend to a round of golf or lunch, purchase a new shirt or hat in the pro shop, or grab a bucket of balls at the driving range. Cart fees and membership purchases are excluded from the loyalty dollars.

2024 season cards for members will be ready for pick up in the pro shops at the beginning of the season.

Sincerely,

Kate Mason
