WHEN: The 2018 Ladies League will begin play on Mondays beginning May 14th and will culminate with the end of season banquet on August 27th. There will officially be 14 weeks of league play. Monday, May 14th will be an Opening Scramble with the actual league beginning the following week. We will take the week of July 4th off from league play.

FORMAT: Ladies will be playing a 2-person Best Ball Match Play (Better Ball of Partners). If you cannot find a partner and wish to play, the staff will do its best to find you a partner. The handicap structure will be 90% of your 9 hole GHIN Handicap. There are a total of 9 points available in each match. You receive 1 point for winning the hole and ½ for a halved hole. The total points at the end of the round must equal 9.

If you do not have GHIN handicap do not fear. We can set you up with a handicap for the year. The GHIN Fee is \$35 for the entire golf season.

Ladies will stroke off the low handicap in the group or in the case of a team not showing, you will play against par. It's not as terrifying as it sounds!!
